

NEW
FOR 2011

Tall cozy deck, more play room, and more play features.

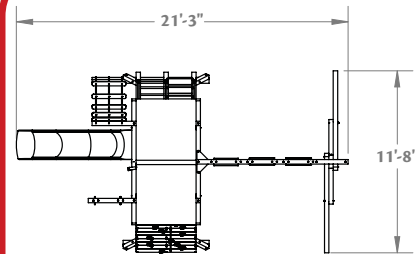

The **angled-base** creates the most room for play under the tall deck.

- **rock wall with rope**
- **slippery slide**
- **higher-swinging swings**
- **higher-flying trapeze**
- **ship's wheel**
- **telescope**
- **rubber tire swing**
- **rope ladder**
- **dual climbing ladder**

Plus, Lion's Den is complete with powder-coated steel safety handles and a unique ladder with handles built in – making it easy for kids to get on the deck.

Because it's ChildLife® – safety, quality and environmental sustainability are built in:

- Quality lumber. Only from mills that meet or exceed the standards set forth by the FSC*
- Larger lumber. Better construction than comparable playsets.
- Meets all ASTM requirements for quality and safety.
- Recessed & capped hardware.
- Dacromet coated hardware to prevent rust.
- Specially formulated, non-toxic, water based stain/sealant; protects the playset for years to come.
- 10-Year Limited Warranty.

- Larger, 22 Sq. ft. Deck
- Taller, 58" Deck Height
- Taller, 86" Swing Beam
- 11' Total Height
- 21' 3" Wide X 11' 8" Deep (See above)
